Public necessity requires that the 30-day comment period of Public Utilities Code Section 311(g) be reduced so that the Commission may collect the revenues as set forth in this resolution as soon as possible. The Commission concludes that a reduction in the 30-day review period by 2 days will not compromise the public interest or any party's rights. Accordingly we reduce the comment period for this resolution from 30 days to 28 days. Parties who wish to file comments on this resolution may do so no later than November 10, 2002.

I certify that the Public Utilities Commission at its regular meeting on November 21, 2002 adopted this resolution. The following Commissioners approved it:
